MEET WITH AN ADVISOR

STEP 1: The first step in setting up a meeting with one of our advisors is to identify the specific award for which you are interested in applying. **Starting Your Search:** We recommend utilizing the resources above as a starting point in your search. We also encourage you to reach out to mentors and

faculty/staff in your program of study to help determine a scholarship/ fellowship program that best fits your goals and interests. Though OMA does not offer general advising appointments, we host a series of **drop-in hours** and **information sessions** throughout the academic year.

STEP 2: When you are ready to work with an advisor on a specific award application, please email meritawards@american.edu to **schedule an appointment** with one of our fellowship advisors. It is important to contact us well ahead of your application deadline, as many fellowships require at least a 3-month commitment to put together a competitive application.
