## Dear Student:

You have expressed an interest in the above deferred payment program, which allows postponement of employer paid tuition until the end of the semester. Participants are required to forward their employer's payment no later than 30 days after the term ends. If you will need to show your employer your grades, you will need to request a "Grade Report" (not a transcript) from the Registrar's Office at the End of the semester.

The following prerequisites will need to be fulfilled upon registration;

- 1. Complete and return the Application Form (copy enclosed).
- 2. Submit signed (by authorized employee) employer letter detailing their actual tuition benefit policy. The letter needs to state the semester they are covering your tuition costs.
- 3. Payment of your \$50 deferred fee.
- 4. Payment of tuition percentage not covered by your employer.
- 5. Payment of fees or costs not covered by your employer (activity, special course, lab fees, etc.)

Failure to meet any of the terms excludes you from the program.

Please forward your information to my attention at the address listed below:
